2. OBJECTIVE OF THE POLICY

2.1 The policy aims to achieve the following objectives which are to:-

- a) Provide guidelines that must be followed in the management and control of inventory, including safeguarding and disposal of inventory.
- b) Procure inventory in line with the established procurement principles contained in the Municipality's Supply Chain Management Policy.
- c) Eliminate any potential misuse of inventory and possible theft.

3. SCOPE

3.1 This policy applies to OKHAHLAMBA MUNICIPALITY's inventory section of the department of finance.

3.2 This policy specifically excludes:

- a) Pharmaceutical inventory, livestock and face value forms; and
- b) Equipment and other assets not defined as inventory;

4. LEGAL FRAMEWORK

4.1 In terms of the MFMA, the Accounting Officer for a municipality must:

- a) Be responsible for the effective, efficient, economical and transparent use of the resources of the municipality as per section 62 (1)(a);
- b) Take all reasonable steps to prevent unauthorised, irregular and fruitless and wasteful expenditure and other losses as per section 62(1)(d);
- c) Be responsible for the management, including the safeguarding and the

maintenance of the assets, and for the management of the liabilities, of the municipality as per section 63 (1)(a) and (b).

4.2 **In terms of the following paragraph of GRAP 12:**

Inventories shall be recognized as an asset if, and only if,

- a) it is probable that future economic benefits or service potential associated with the item will flow to the entity ,and
- b) the cost of the inventories can be measured reliably

4.3 MEASUREMENT AT RECOGNITION

Inventories that qualify for recognition as assets shall initially be measured at cost

Where inventories are acquired at no cost, or for nominal consideration, their costs shall be their fair value as at the date of acquisition

4.4 MEASUREMENT AFTER RECOGNITION

Inventories shall be measured at the lower of cost and net realization value, except where paragraph .18 applies
Inventories shall be measured at the lower of cost and current replacement cost where they are held for:

- a) distribution at no charge or for a nominal charge ,or
- b) consumption in the production process of goods to be distributed at no charge or for a nominal charge.

4.5 RECOGNITION AS AN EXPENSE

When inventories are sold, exchanged or distributed the carrying amount of those inventories shall be recognized as an expense in the period in which the related revenue is recognized. If there is no related revenue, the expense is recognized when the goods are distributed, or related service is rendered. The amount of any write-down of inventories to net realizable value and all losses of inventories shall be recognized as an expense in the period the write-down or loss occurs. The amount of any reversal of any write –down of inventories ,arising from an increase in net realizable value, shall be recognized as a reduction in the amount of inventories recognized as an expense in the period in which the reversal occurs.
Some inventories may be allocated to other assets accounts, for example, inventory used as a component of self-constructed property, plant or equipment. Inventories allocated to other assets in this way are recognized as an expense during the useful life of that asset.

5 PURPOSE OF THE INVENTORY PROCEDURES

5.1 The procedures for inventory must be followed to ensure that:
